Welcome Message

Dear Colleagues;

On behalf of the organizing and the scientific committees I would like to welcome all of you to the 14th Jeddah Dermatology & Cosmetics Conference to be held in Jeddah, the Bride of the Red Sea on 19-22 February 2020 at Jeddah Hilton. The conference became known to be the must-attend conference in the region for those working in the field of Dermatology and Cosmetics.

The previous JeddaDerm conferences attracted speakers and delegates from around the region and the globe. The organizers plan to keep the same mix that made past conferences a success, bringing together the expertise of dermatologists and other interested healthcare workers to exchange ideas and help advance the growth of our specialty.

We look forward to welcoming you to JeddaDerm 2020.
